

Confidentiality:

Details on this form will be held securely and will only be shared with coaches or others who need this information in order to meet the specific needs of your child.

Data protection

Everyone responsible for using personal data has to follow strict rules called 'data protection principles'. They must make sure the information is: used fairly, lawfully and transparently

- used for specified, explicit purposes
- used in a way that is adequate, relevant and limited to only what is necessary
- accurate and, where necessary, kept up to date
- kept for no longer than is necessary
- handled in a way that ensures appropriate security, including protection against unlawful or unauthorised processing, access, loss, destruction or damage
